**ADELAIDE BRIGHTON SIGNS HEADS OF AGREEMENT
TO RENEW MAJOR LIME CONTRACT**

Adelaide Brighton today executed a Heads of Agreement with a major alumina producer for the continued supply of their lime requirements in Western Australia, subject to finalisation of formal agreement and any appropriate approvals. Once finalised, the new agreement will replace the current agreement which expires on 30 June 2011.

The Heads of Agreement covers supply for periods ranging between five and ten years and will be effective from 1 July 2011.

The negotiated terms of supply are mutually satisfactory to both parties and are consistent with Adelaide Brighton's internal expectations.

Managing Director, Mark Chellew, said "This is a positive outcome for Adelaide Brighton and we are confident that with our competitive pricing the company will supply the overwhelming majority of the lime requirements of the major alumina customer during the contract period."

Adelaide Brighton is a leading, integrated construction materials and lime producing group of companies focused on the engineering, infrastructure and resource sectors in Australia and trades under the symbol ABC on the Australian Securities Exchange.
